GAMES MAY BE RESCHEDULED DUE TO WEATHER IF MORE THAN ONE GAME IS MISSED. IT IS COACHES RESPONSIBILITY TO RESCHEDULE.

PLEASE TURN OVER FOR GAME RULES

Each team will field 8 players. If unable to field 8 players, only the affected team will play "short" unless the coaches agree to play even numbers.
SUBSTITUTIONS can only be made under the following conditions:
<p>throw-ins (on possession only) after a goal is scored corner kicks (on possession only) on goal kicks (either team may substitute) for an injury</p>
Games will start and end on schedule. Do not allow teams before you to run into your time.
Games end no later than five minutes before the start of the next game regardless of when they started.
Shin guards are required for all players. Players must leave watches and jewelry at home. Please have your coach check your child's shoes. No baseball shoes will be allowed. Only soccer shoes or tennis shoes are allowed.
For the protection of athletes and spectators, all spectators should watch the game at least five feet away from the sidelines.
Games will not be played in lightning or very heavy rain. Weather often changes rapidly and the decision to play or not will be made at game time by the REFEREE.

Athletes may not be on the field if they are bleeding. Bleeding must be stopped and a protective covering (band-aid) must be placed over the wound before a player may return to the game.

Any player wearing improper shoes (football cleats) WILL NOT be allowed to play. It's a matter of safety.

PLEASE NOTE: DOGS ARE NOT ALLOWED AT ANY SOCCER GAME.
